

OGAC DISCOUNTS

Private Coaching Discount:

OGAC (On-Going Acting Classes) w/ Crystal Martinez has 5 spots available for private coaching. I'm offering 4 1 hr coaching sessions for \$200. (I usually charge \$80 per hour for coaching so this is a huge discount)

This is a great way to have 1 on 1 coaching in preparation for the agent visit in March. Many former students have come to me for private coaching so we could work on several scenes and narrow down the best choice to perform in front of the agent.

Often times we've submitted scene work from private coaching and that has gotten them an interview and a contract with PB Talent as well. PB Talent has been my agent for the past 15 years and they are the ones I submit to first.

If you're serious and focused and have set securing an agent as one of your major goals, email me at ogaccm@gmail.com or call (713) 492-8621 to get more info and to register.

OGAC has an excellent track record of helping people get signed with one of the top talent agents in Texas and immediately begin booking roles on tv series like: AMC's The Son, Queen of the South, Let the Right One In, NCIS NOLA, American Crime, and more. Don't hesitate!

Contact me today before spots fill up! Don't forget the current discount of \$100 for 4 classes!
