

“How to Begin Your Acting Career Workshop”

Sunday, March 31, 2019 @ 4pm

At OGAC ACTING STUDIO in the HEIGHTS

A beginners workshop on how to get started in the acting business. You will gain knowledge on everything from how to train, how to submit to an agent, what marketing materials are essential and how to avoid being taken advantage of and wasting time and money.

Included in the workshop price will be several discount offers from area photographers, demo reel editors, acting schools and more!

This is a great workshop to gain objective knowledge. You will be informed about multiple resources in various industries so that you can choose which is best for YOU.

You will get your questions answered regarding everything from the best TYPE of training for you, because there ARE different types or training for different types of actors.

We will discuss the process for submitting to agents answer all your questions on this most important topic!

We will also cover what type of photographers work for your marketing needs like headshots, characters shots, candid shots.

Every beginning actor needs to know how to self submit on projects as well as which are the most used legitimate casting websites, how to join them if your represented or unrepresented and so much more!

Whether you're a parent of or an unrepresented aspiring actor, or you have an agent and have questions about what is next, this workshop will guide you in the direction that you need to go in order to further your career. Ultimately you are in control of your acting career and there are things you can do to promote, market and improve your chances at success.
