This workshop will be a combination of improv skills I've learned by studying at Second City and the Groundlings, and an exploration of comedy and how to find the funny in your scenes. We'll explore improv, different kinds of comedy, comedy 'rules' and comic timing. We'll be using scripts from sit-coms & comedic films to supplement our improv work. This will up your game in comedy and (BONUS!) also take your commercial auditions to a whole new level!

When: Sunday, March 22 12:30-4:30 pm (bring water & a light snack)

Who: Adults, and mature teens ages 14-17

Cost: \$115 (if you pay in full by March 9)
