[Joanna Sanchez](#) is a professional actress and acting coach from Hollywood, and is dedicated to helping actors bridge the distance between Tinsel Town and Texas, and onto the small or big screen. Many veterans who know her, trust her recommendations, and the caliber of students she has trained have benefitted from her many years of experience working with casting directors, producers, directors, A-list talent, writers, studio executives, and more. Joanna is production savvy and offers insights into “the business” that can give you a competitive-edge in the “Real World of Make Believe.” New or veteran actors welcomed.
