**Do you dread monologue auditions? Are you always stressed about finding the 'perfect monologue'? Worry no more! This workshop will help you understand how to pick a great monologue, how to transition seamlessly between monologues for live performances, why there is no 'perfect' monologue, what auditors want to see, and more! Please bring a monologue (or two!) to work on. If you don't have a monologue, let me know and I'll pull something for you. This workshop is applicable for film or stage monologue work.**
