CLASS FORMAT

Film & TV classes cover everything from the audition to the breakdown to the taping of the scene. Depending on your experience level you will also have the option to attend a scene breakdown class each week as well. All scenes are taped, everyone who has a scene prepared has time in front of the camera

PRIVATE COACHING

Private coaching is scheduled according to mutually convenient scheduling and what is available, each session is up to 1 hour but may be less if less work is needed so be advised that anything over 40 minutes will count as an hour if we finish early.

AUDITION TAPING

1 script per 30 minutes to 1 hour session unless more are requested. Readers, and equipment rental available from \$25-\$50 for 30 minutes to 1 hour. If you just need someone to read with you or a proper place to tape, and you already have your scene worked out and ready to shoot, call for time availability and to schedule a quick convenient audition taping!

Settling Into Yourself on Camera With Scene Work Workshop (Spaces Available):

PRICE: \$125 before September 9 | \$150 September 10-16 2023
