

**THE MOMENT BEFORE, THE MOMENT AFTER...
And Everything In Between**

**HOUSTON WORKSHOP
April 27th, 2019**

With **PRICE HALL**, Actor, Coach, Director (**MISSISSIPPI MURDER** starring Malcolm McDowell & Luke Goss & the upcoming feature, **THE STREET CLEANER**) and Author of the newly released, '**MAKING CHOICES: The Actor's Guide to Being Alive & Present in the Work**'.

Where are you coming from? What are you doing after you leave?
And what are you going to do while you're there?

The *MOMENT BEFORE*. The *MOMENT AFTER*.
Everything in Between.

Sound like Life? It is. Exactly. So is all good Acting – which is not really about Acting at all. It's about Being, Behaving...Just like Life.

In this Unique Workshop we'll explore and discover what it means, how it feels to be Alive in the *MOMENT BEFORE*, and how necessary it is to the creation of Reality for you and your Character. How that Launches you into the Life of the Scene, the *Conversation*, from that all important *1st Moment*...where you either hook *Them*, or you lose *Them*. And then, to discover how it feels to Live into the *MOMENT AFTER*, the continuation of the Life of the *Conversation*, which creates that Brilliant *Last Moment*, equally as important as the *1st*, where you leave *Them* wanting more.

And then *EVERYTHING IN BETWEEN* takes care of itself.
