

KIDS AUDITION WORKSHOP ANNOUNCEMENT!

Do you have an inventive kid who's interested in acting or might have a knack for it? Vicky Boone Casting is now offering a workshop to give budding young stars ages 8-11 further insight into the acting and casting process!

This workshop will be a small group setting (5 kids max) and include engaging, fun acting exercises to get kids' imaginations churning!

What we'll cover:

- >> Small group acting exercises to teach kids how to access their confidence and imagination
- >> How to make character adjustments on the spot!
- >> How to listen!

We believe imagination is one of THE most important and impactful assets we have as humans! Kids are the world's biggest champions of imagination, and we want to do our part to EMPOWER and CONNECT them with their creative and empathetic sides!

We'll be offering this workshop via Zoom for all acting levels—so whether your kiddos have acted before or not, they are welcome to join!
